

Call for Participation

We invite you to join us in **6th International Conference on Biomedical Engineering and Science (BIENS 2022)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Biomedical Engineering and Science. The conference documents practical and theoretical results which make a fundamental contribution for the development of Biomedical Engineering and Science.

Highlights of BIENS 2022 includes:

- 8th International Conference on Circuits and Systems (CIRSY 2022)
- 6th International Conference on Civil Engineering (CE 2022)
- 7th International Conference on Mechanical Engineering (ME 2022)
- 6th International Conference on Advances in Engineering (AE 2022)
