

Call for Participation

We invite you to join us in **8th International Conference on Circuits and Systems (CIRSY 2022)**

The Conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Circuits, Systems and Applications. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on circuits and systems, establishing new collaborations in these areas.

Highlights of CIRSY 2022 includes:

- 6th International Conference on Biomedical Engineering and Science (BIENS 2022)
- 6th International Conference on Civil Engineering (CE 2022)
- 7th International Conference on Mechanical Engineering (ME 2022)
- 6th International Conference on Advances in Engineering (AE 2022)
