

### **Call for Participation**

We invite you to join us in **7<sup>th</sup> International Conference on Mechanical Engineering (ME 2022)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of all Engineering fields. The conference documents practical and theoretical results which make a fundamental contribution for the development of all Engineering. Original research papers, state-of-the-art reviews are invited for publication in all areas of Engineering.

### **Highlights of ME 2022 includes:**

- 8<sup>th</sup> International Conference on Circuits and Systems (CIRSY 2022)
- 6<sup>th</sup> International Conference on Civil Engineering (CE 2022)
- 6<sup>th</sup> International Conference on Biomedical Engineering and Science (BIENS 2022)
- 6<sup>th</sup> International Conference on Advances in Engineering (AE 2022)

### **Registration Participants**

Non-Author / Co-Author/ Simple Participants (no paper)
